

9 AFFIRMATIONS TOWARDS SUCCESS

Affirmations are positive statements that can help you to overcome negative thoughts. Repeating them and believing them will help you and your team to make positive changes.

1. YOU are the only person responsible for your Success

You are in full control of your future. Decide that your life is your own and it is whatever you make it to be.

2. YOU don't have to re-invent the wheel.

You can find success by putting your own twist on something that already exists. Make it unique. This is your unique selling proposition.

3. YOU cannot have progress without taking action.

No action always results in failure. So, take action today to move towards success.

4. YOU need persistence to win.

Churchill said, "Success is stumbling from failure to failure with no loss of enthusiasm." Rivers cut through rocks because of its persistence over time.

5. YOU must have focus to succeed; focus is everything.

If you never focus clearly on one thing, you will not be 100% efficient in anything.

6. YOU must interpret each failure as a lesson.

Failure is necessary. If what you did today didn't turn out as you hoped, tomorrow is a chance to do it differently and better.

7. YOU must be positive to be productive!

Success comes from positive energy. Don't get drawn into negativity, decide to do something positive.

8. YOU must believe you can succeed.

Anything is possible. Dreams become reality with commitment, action, willpower and time.

9. YOU need to help others to be successful.

Successful people find ways to help others. Long-term success is tied to how well you help your community
